"We Live We Brew"

Wishbone/NCB Joint Competition May 5th Wishbone Brewery, Keighley

Details

This will be the third year we have held the Northern Craft Brewers Homebrew Competition, we had some 34 entries into last years competition, this is a Homebrewers-only Social Event and is NOT open to the general public.

The competition is to be held on Saturday 5th May 2018 and is open to all homebrewers who can bring their bottle entries on the day.

Here is a link to some tips on brewing a NEIPA. (<https://www.homebrewersassociation.org/how-to-brew/tips-brewing-new-england-ipa>) You might also note that the new Lallemand yeast 'New England' is going on general release from 6th November 2017 if you want to try for that Cloudwater vibe 😊

Competition Rules:

- * Brew: New England IPA, Hazy / Low Bitterness / Juicy.
- * Gravity: 1040-1070
- * Bottles: 3x 500ml Unmarked brown glass bottles.

- * Prizes: We will be presenting engraved tankards and certificates and I dare say there will be prizes too.

Again we will be raising money for charity, have 6 handpulls on our brewery bar so we would like 3-4 homebrewers who want to brew a beer for the bar to be served alongside our own beer, all proceeds from the sale of homebrewed and our own beers will be donated to local charities.

Again we will be doing what we can to bring you some beer & brewing related entertainment from people in the brewing industry.
