

The Northern Craft Brewers

"We Live We Brew"

Competition -Beer of the Year

Outline

Simple just bring along what you consider to be the best beer you have brewed this year. Any style and Strength the choice is up to you.

Scoring

Whilst we will provide score sheets to individuals to make notes on the theme is based round if you walked into a pub and had a pint of this beer which one would you enjoy the most? So, I guess its not only down to how good the beer is but also personnel preference.

Simply aim to list the beers in terms of personnel preference and we'll see which beer wins the "Beer of the Year" crown by popular acclaim. I'll see if I can sort trophies to cover this event.
